

## Woodford Players ~ The Lady In The Van

**Auditions** for *The Lady in the Van* will be Friday 10th March 7.30pm at Woodford Church Annexe SK7 1PR [Map](#)

**The playing dates** for this terrific play are 22nd – 25th November 2017 at Woodford Community Centre, SK7 1PS

### Characters:

**Alan Bennett** ( As the public see him ) 40s

**Alan Bennett** ( His inner self and as the writer)

I think costume, make-up and hairstyles would do the trick here, along with the relaxed style we all know and love. An attempt at his vocal style would greatly assist the characterisation.

**Miss Shepard** 60s ~ Disinhibited, delusional, entitled, not without a penchant for celebrity status. Obviously very unhygienic. Speaks with RP accent.

**Rufus and Pauline, Bennett's neighbours** ~ Middle-aged, educated & well spoken.

**Mam: 60s Bennett's mother** ~ Is suffering with Alzheimer's condition.

The other smaller roles can be doubled up.

It would be useful if all those interested in auditioning, could have a read of the 'Introduction' at the beginning of the script and/or, if the opportunity arises, watch the film.
